COVID-19 Policy

The Nest is committed to doing everything we can to keep you and your family safe during the COVID-19 pandemic. Here are the steps we are taking in order to do so:

- Swap Days will be socially distanced, and no contact will be necessary to pick up your toys. If you arrive at the same time as another family, please stay in your car until the area is cleared, or give at least 6 feet of space between you. Please wear your mask if you see any other family picking up toys at the same time.
- Upon return, each toy will be thoroughly cleaned and disinfected with our all natural disinfecting spray (safe for little hands and mouths).
- Each toy will have a mandatory 24 hour waiting period before being checked out by another family.
- Our team will prioritize cleanliness including hand washing and sanitizing of surfaces and work areas related to the library. We will be wearing masks during any interaction with you and your family.

Please reach out if you have any questions or concerns.
